Welcome to our very special Introduction to Herbs for Kids series! Children are often fascinated by the natural world, learning from simple interactions with a puddle or a bug or a tree. This series of lessons caters to that natural inquisitiveness while introducing children to the world of herbalism in interesting and enjoyable ways. Introduction to Herbs for Kids - Herbal Academy Lemon balm is one of Auth's favorite herbs because it's easy to grow and can be added to anything from a fresh tea to baked goods. what the research says: Numerous preclinical studies support the antianxiety effects of lemon balm; however, there have been only a limited number of clinical trials, so more robust research is needed to determine the effects of lemon balm on anxiety in humans. A Guide to 12
